

## CALL FOR PAPERS ANNUAL MECCSA POSTGRAD CONFERENCE

The MeCCSA Postgraduate Network invites submission of abstracts for its Annual Postgraduate Conference to be held:

**Thursday 12th and Friday 13th July 2007  
at the University of The West of England (UWE) Bristol**

This interdisciplinary conference welcomes papers on topics relevant to any area of media, communication, and cultural studies.

The conference is organised by postgraduate students and it is designed for Masters and PhD students, as well as early years postdoctoral researchers.

This is an excellent opportunity for postgraduate students to present their work to likeminded individuals in a supportive and productive environment.

The conference will also include keynotes and workshops from expert academics on topics pertinent to postgraduate students, including publishing, teaching practices and transitions between MA / PhD / work.

Please send abstracts (between 150 and 250 words) for proposed 20-minute papers by 5<sup>th</sup> March 2007 to Einar Thorsen, [Einar.Thorsen@uwe.ac.uk](mailto:Einar.Thorsen@uwe.ac.uk) and Libia Villazana, [Libia2.Villazana@uwe.ac.uk](mailto:Libia2.Villazana@uwe.ac.uk). The abstracts should include:

- A. Your name, contact details and institutional affiliation;
- B. Title and topic of research, including method(s) used;
- C. Up to five key words, which will help the reviewers classify your proposal;
- D. Technical requirements for the presentation.

Joint submissions of up to four speakers forming a panel are welcome. Notification of acceptance will be sent out around the end of April 2007.

For more information, including details of keynote speakers, venues and conference fees, check back over the coming weeks at:
